A teamster urges his horses on during the Norland Firefighters Horsedraw Competition held this past weekend. The competition drew an enthusiastic group of participants in various categories and provided an exciting afternoon for the spectators. For more pictures of the day's activities and a tally of the winning teams, please turn to page 5.

Lutterworth bylaw approved by OMB

The Ontario Municipal Board has approved the Township of Lutterworth's Comprehensive Zoning Bylaw.

The decision was made at a hearing held at the Minden Community Centre on Monday and Tuesday, July 9 and 10.

The hearing took place three years after the municipality submitted the zoning bylaw to the OMB.

The bylaw did not initially receive a hearing because the Ministry of Natural Resources objected to the municipality's failure to include environmental protection

zoning for hazard lands that were considered susceptible to flooding.

The MNR withdrew their objections in August 1983 when the municipality passed an Interim Control Bylaw that placed lands along the Gull River in a holding zone category. The bylaw put a freeze on all development until the results of an Engineered Flood Plain Study were made available. Any development that was carried out in the interim would have to receive approval from the MNR.

The hearing, which took place last week, was

attended by nearly 30 people.

Three property owners had questions relating to the proposed dump on the Iron Mine Road. After being assured that an environmental study had been carried out on the site and that it would be limited to residential use, the property owners had no objections.

Concern was also expressed over the duration of the Interim Control Bylaw. The meeting was informed that the bylaw will automatically expire in September.

A further amendment will be required to include hazard land zoning. According to Lutterworth Clerk Wayne Hughes, "The amendment will have no serious effect on the municipality except for a small section of undeveloped land."

There will be one significant change in the procedure involving zoning amendments in the future. Because of a recent change in the Provincial Planning Act the municipality will not have to submit proposed zoning amendments to the OMB if there are no objections to the changes. Previously all amendments had to be submitted for a hearing.

Cottagers seek assistance

The Bob Lake Cottagers Association has requested that the Municipalities of Anson, Hindon and Minden share the costs of acquiring deeds to lands situated between the Tennyson Road and a number of lakefront lots. The requests were made at the Anson, Hindon and Minden council meeting on Thursday, July 12 by a delegation headed by Peter Garnick, President of the Bob Lake Cottagers Association.

Garnick informed council that the deeds were needed to ensure that a number of property owners would have frontage on the Tennyson Road to guarantee access to their properties.

He explained that the owners had assumed when they purchased their properties that the lots extended from the road to the shoreline. "The people believed that the land they were shown between the road and the lake was theirs," he said.

However, he noted a land survey initiated by the

property owners showed that the road was not laid out according to the original survey. Instead the route was dictated by the terrain.

Stop work order issued

A stop work order has been placed on a controversial piece of lakeshore property on Soyers Lake. The Anson, Hindon and Minden municipal council agreed to impose the order after consulting with the township's lawyer last Wednesday.

The property in question was a lot which the municipality traded, along with a second lot and a quantity of cash to acquire ownership of the Welch property in downtown Minden. At an earlier meeting this month a Soyers Lake property owner objected to the construction taking place on the lot

Consequently approximately 20 lots did not border on the existing road.

An agreement was reached between the muni-

cipality which owned the strip of land between the road and the private lots and the property owners whereby the municipal land would be transferred to the abutting property owners to ensure road frontage.

Noting that the transfers have not been completed and that "this problem has been dragging on for ten years," Garnick requested the municipality to "sign all

papers" to complete the severances in order to ensure that the costs to the cottagers will not increase.

He added, "We are not trying to recoup the \$6,000 which we spent on the survey" but said that he felt the municipality should share in the estimated \$2,800 in additional costs of transferring the deeds from the municipality to the property owners.

Reeve Lyle McKnight responded by stating that the council should seek legal advice before making a decision on the matter.

Searchers find missing woman

A lost berry picker kept a cool head and probably saved herself and the police search crew a lot of extra work and inconvenience.

According to a report from the Minden detachment of the Ontario Provincial Police, a 49 year old woman went missing near Spar Lake in Lutterworth Township on Sunday. Friends notified the authorities Sunday at dusk after she had not returned from her berry picking expedition.

Police search parties, aided by a tracking dog from the Peterborough district headquarters, combed the area where the missing person was believed to be located. Later Monday morning the OPP helicopter from Toronto arrived to assist and the woman was spotted from the air waving her orange jacket at the searchers.

The police report that the individual, when she realized she would not be found Sunday night, constructed a bed out of evergreen boughs. She rearranged her clothing to cover as much exposed skin as possible to ward off the mosquitoes and black flies.

When daylight returned the stranded berry picker climbed to the highest point of land she could find and used tree branches to spell out the word "help" on the bare rock. She stayed in that location until being discovered by the OPP helicopter.

A police spokesman praised the woman for her presence of mind saying, "If lost individuals remain calm and avoid panic there is little to be feared from spending a July night lost in the Haliburton woods."

Mother and ducklings are doing fine

Readers of The Times will recall that last week we reported on the rescue of a mother duck and her 13 ducklings from the Gull River. The mother had been attacked by a snapping turtle and required medical attention from veterinarian Dr. Peter Bennett. In honour of his surgical efforts, those who have taken the family under their wings, have named the mother P.J.

The foster parents, Don Davidson, and Doris and Edith Smith, have been carefully tending to the needs of the injured mother and her brood. The following report on their progress during the past week was prepared by Edith.

A progress report on P.J. and her 13 little "Rinky Dinks".

Eleven days after their rescue from the turtle, we are very happy to say that all are doing very well. P.J. is now able to walk on her injured leg and today for the first time she enjoyed a swim in the bathtub. The 13 have been taking daily swims and are growing so fast very soon they will outgrow their cage.

Our daily routine starts at 6 a.m. with quacks and peeps from all 14. We feed the ducks, have a cup of tea, get dressed, feed the ducks, clean their cage, feed the ducks, put them outside, where P.J. enjoys the publicity and seems so proud to show off her family, again we feed the ducks and so on and on until 7:30 p.m. when they appear to be like human babies, ready to go to sleep for the night.

To date we have used eight loaves of bread, 2 1/2 dozen eggs, 5 lbs. of duck starter feed, 6 heads of lettuce, some of our neighbours have been very kind (Chris Dollo, Tom and Vi from the Orange Grove Cottage and Gwen Cox) bringing in lettuce, duck starter feed, eggs, etc. which has been a great help to us.

We enjoy taking care of our feathered guests, but it is a little awkward since they

have taken up residence in our bathroom. With 14 pairs of eyes looking on, should we also like to use it occasionally, fortunately for us we have an outside old timer.

To date P.J. has had more than 65 visitors, including 20 of the younger campers from Onandaga. They are becoming quite used to people, and seem to answer when we talk to them, they certainly know the food dishes.

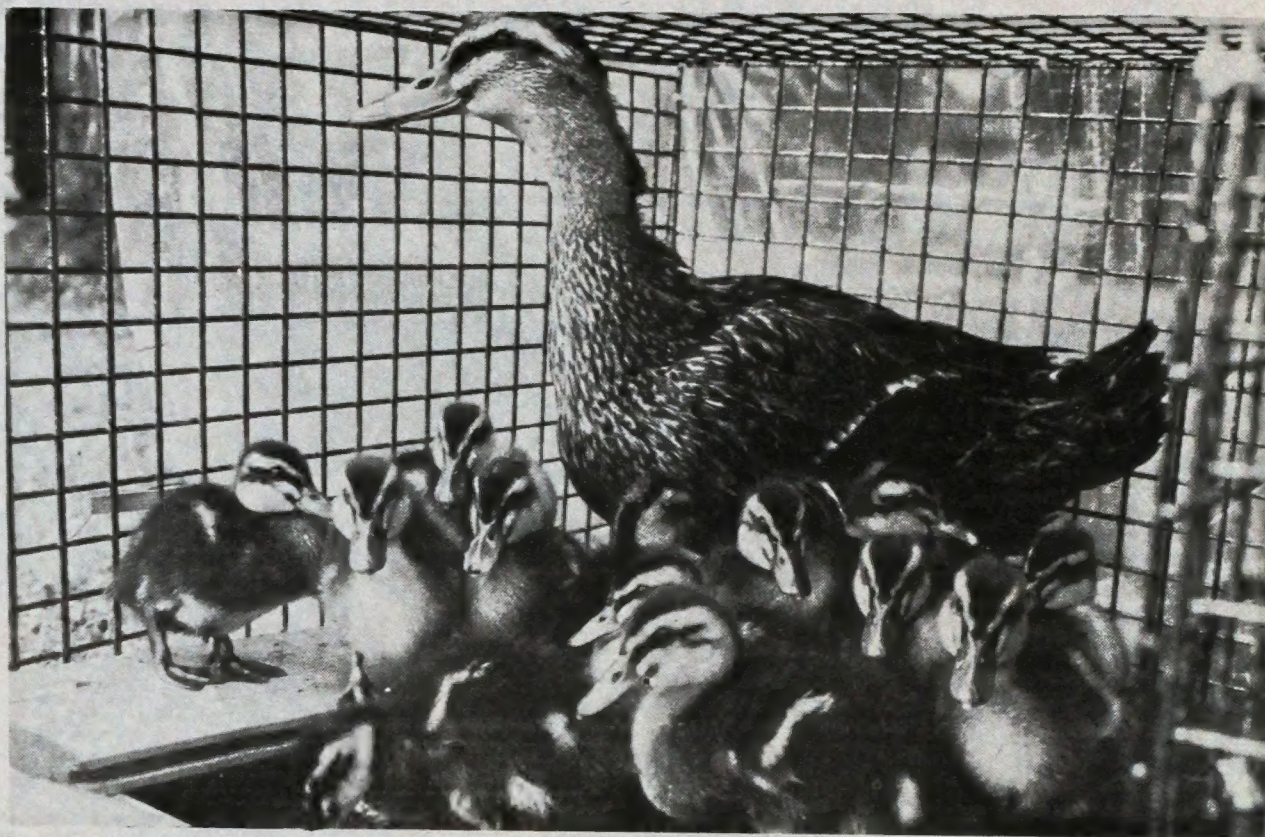

The time will soon come when they must be released, but not until Dr. Bennett thinks that P.J. is strong enough, and can take care of herself and her brood.

We are hoping to find a better environment for them where they will be safe from predators, so the location to free them has not yet been decided.

We will all feel very sad to see them go, all except Larry our cat, who has felt a little neglected lately, sometimes I think he wishes he had not helped us round up the little Rinky Dinks.

There is one which is smaller and weaker than the rest, but he has had plenty of T.L.C. so now he seems to be able to hold his own, with the rest.

Anyone wishing to visit P.J. and her family will be most welcome at "Minden Pines", we especially welcome the children.

Mother duck P.J. stands proudly before her brood of 13 safely on shore at the Minden Pines. The mother and her family were rescued from the Gull River after she was attacked by a snapping turtle. Her rescuers have provided the family with food and free accommodations while the wounds heal.

Eight balloon tags returned

At the finale of the Canada Day Celebrations held at the Minden Fair Grounds 3000 helium filled balloons were released. Each balloon carried a tag signed by the youngsters who took part in the celebration and bearing a message informing anyone who found the tag that a reward would be offered to the finder if the tag was returned to the municipal offices by July 10.

Eight tags were returned by the deadline. Balloons released by Cathy Marlin, Monica Miles, Kerry

Brezina, Andrew McKelvey and Joanne Ross were found in the Minden area.

A balloon released by Joan Finley was found the day following the release near Orillia.

Two other balloons were also found on the following day near Lindsay. A Mr. Grant Fountain of Lindsay discovered a balloon in a field near his home. The tag bore the signature of Bryan Rivard.

A balloon carrying a tag signed by Jennifer Shaver was found on Dalrymple Lake near Sebright, by

Albert Bleakly. Mr. Bleakly returned the tag with a letter in which he related how he was fishing on the lake when he saw the balloon land on the water. He noted that the tag was his only catch of the day.

Newly minted silver dollars will be awarded to the youngsters whose name appeared on the tags and to the people who returned the

tags.

One large balloon was released at the opening ceremonies of the Canada Day Celebrations. It carried a cylinder containing a letter from Reeve Lyle McKnight informing the finder that, if returned before the end of July, they will receive a \$100 Canada Savings Bond donated by the Minden BIA. To date the big balloon has not been found.

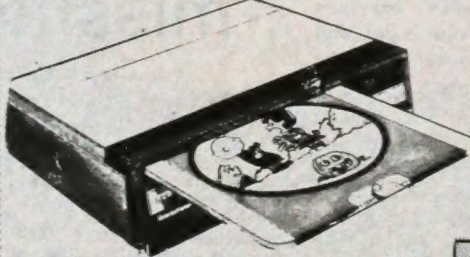

Viceroy's win 4-2

Led by the three goal performance of Colin McKnight, the Minden Viceroy's Junior Soccer team defeated Fenelon Falls 4-2 on Tuesday July 11. The team has played well all season winning six out of the seven games they have played.

In Tuesday's game, Dean Sisson opened the scoring for Minden on a pass from Justin Gentle and Colin McKnight.

McKnight added a second goal, again with an assist from Justin Gentle, then booted in two more unassisted goals to pull ahead of Fenelon Falls.

The Minden Viceroy's will be playing a return match against Fenelon Falls on Sunday, July 22 at Archie Stouffer School soccer pitch.

Cecil Powers of Kitchener proudly displays a twelve pound two ounce lake trout caught Saturday evening on Gull Lake. The angler was using a Hammered 77 lure with shiners when he landed the lunker. The fish fought for twenty minutes with his fifteen pound test line before finally netted. Mr. Powers was staying at the Jay Lake Tent and Trailer Park.

River events featured at Rotary Summer Carnival

The Rotary Club of Minden will help mark a number of anniversaries when it holds its annual summer carnival next Wednesday and Thursday.

The club has selected a pioneer theme for this year's event. According to carnival organizer, Bill Obee, "The club wanted to have the carnival serve as a part of the celebration associated with the province's bi-centennial and Anson, Hindon and Minden's 125th birthday. By striking the pioneer theme we hope people will get into the spirit of the anniversaries."

According to Obee the carnival will follow a familiar program with several new innovations.

One new feature this year will be the addition of a river olympics which will take place on the Gull River Wednesday afternoon. "We have organized a number of events which we think people will enjoy watching and participating in," the spokesman commented. "There will be canoe gunnel bobbing, a race where paddlers will have to hop over four ropes as they race

down the river, and an inner tube race." The water events will take place at 5 p.m. just north of the bridge in Minden.

Those watching the river events will turn their attention to Minden's Main Street at 6:30 p.m. when the opening parade will snake its way through the community to the Minden arena. The parade will include bands, floats, clowns and marchers. Of particular interest this year will be the Ontario Lottery Corporation float.

Wednesday evening at the Minden arena visitors will have an opportunity to try their luck at a variety of games of chance and skill. A number of games, including a fish pond, have been geared to youngsters. Outside, a midway, with the usual assortment of amusements will provide fun for everyone.

Food booths will be located in the arena, serving various snack foods.

Each evening the carnival will feature a dance and free entertainment. Wednesday evening the band Thunder Road will entertain while on

Thursday night the popular Ike and Alice Kelnick will be on stage. The dance will take place in a special area licensed by the LLBO.

"We have increased the prize in our annual draw," Obee commented. "The main prize of a \$1000 bill is still being offered, but there will also be additional prizes including a second prize of \$700 and a \$300 third prize. Tickets for the draw are on

sale from Rotarians throughout the community," Obee added.

The spokesman noted that all money raised from the annual carnival is used by the club to further community projects. "The carnival offers people an opportunity to have fun, but at the same time contribute to the efforts of the club in a number of areas," Obee concluded.

Hodgson receives Ontario awards

The Ontario Public School Trustees' Association recognized the dedication and excellence of Mr. J. Douglas Hodgson, Director of Education of the Haliburton County Board of Education, by presenting him with the Fred L. Bartlett Memorial Award at their annual meeting in Ottawa on Saturday, June 30.

The award commemorates the late Professor Fred L. Bartlett for his outstanding service in education both as a practitioner at Queen's University and as a trustee in Kingston and provincial circles, and is presented each year to a member of the teaching profession for outstanding contributions to education in Ontario.

The recipient of the award is selected by a panel of judges representing the Ontario Teachers' Federation, Ontario Federation of Home and School Associations, the Ministry of Education and the Ontario Public School Trustees' Association.

After teaching for a year at the little one room school in Harburn, the 1984 Fred L. Bartlett Memorial Award winner attended university and teachers' college before resuming teaching in Plattsville, Ontario. He rose to principal of Millbrook High School and the Haliburton Highlands District High School before being appointed the first Director of Education of the Haliburton County Board of Education in 1967, a position he held until just recently.

A very young, progressive Director of Education,

Doug Hodgson introduced special education into the county when it was still at the idea stage across the province. He integrated mentally retarded students into the regular school setting where they could join other students for gym and other relevant school programs.

Mr. Hodgson was instrumental in making the school of Fine Arts possible in Haliburton County, giving great support as a charter member, making facilities available and encouraging the co-sponsoring of programs and services.

He has been very active as a member and Vice-Chairman of the Board of Governors of Sir Sandford Fleming College, and has worked with and supported the local museum committee's efforts.

J. Douglas Hodgson has done more to further education for all the youth of Haliburton than any other individual. He is characterized as a "humanitarian" having enviable skill, grace and professional understanding, making a "tremendous contribution", playing a "key role" and having "enhanced the opportunities and lives of Haliburton County residents".

His nomination for the Fred L. Bartlett Memorial Award had extensive support from all sections of his community. He is indeed a worthy recipient of this tribute for his outstanding contribution to education in Ontario.

YOU CAN'T TALK PHILOSOPHY WITH A LOGICAL PERSON...

THANKYOU EVERYONE

I hope you enjoy this cartoon, which will appear weekly, in appreciation of your support.

BOB BARCLAY

editorial

An incident earlier this week pointed out several realities about living and vacationing in the Haliburton Highlands. We are referring to the case of a berry picker who became dis-oriented in the bush and was lost overnight. She was rescued safely the following day.

The incident brings to mind the fact that we still live on the edge of wilderness in the Highlands. For all its beauty and attractiveness, the forests of this area can be a hostile place for the uninitiated. It is great to be able to live next to countryside which is still virtually untouched by man's hand but it must be treated with respect and caution.

The successful outcome of the crisis was due in no small part to the presence of mind exhibited by the lost individual. While the more common reaction in a situation such as this is panic, this person showed an understanding of the best procedure to follow. She made herself as comfortable as possible for the night and, with the dawn, wisely chose a spot which made her presence as visible as possible. Others, reacting to a sense of helplessness, might have wandered, aimlessly, risking injury, exhaustion and further complicating the efforts of the rescuers.

There are lessons in this incident for all of us. First, proper respect must be shown for the dangers inherent in venturing into the wilderness which is so close at hand. And, secondly, anyone who strikes off into unknown territory should be well versed in the proper procedure if he or she should become lost.

George McLean and his team at Norland.

New direction required

-by John Eakins, MPP -

More than two years ago, my colleagues and I undertook an investigation into the state of health care in Ontario. Our findings then, and subsequent studies we have undertaken since, have disclosed numerous regulatory and structural deficiencies in the planning and implementation of the provincial government's system for care for our senior citizens.

Clearly, deficiencies will grow more acute as aging trends in our population continue. Within twenty years, more than 1.4 million Ontarians will be over 65 years of age and the average senior requires six times the medical care needed by an eighteen year old.

Striking new directions are essential. Tinkering with the current system cannot be a substitute for necessary changes in strategic direction. The first step must be to reverse the policy in Ontario which is geared toward institutional custodial care of elderly people.

Independent studies have shown that life expectancies increased for seniors in community residential settings as opposed to institutions. Imaginative model programs to support and maintain seniors at various care levels with the community have already been tested.

A second step is to put an end to the bureaucratic infighting which has permitted the development of so many gaps in services to our elderly people. Responsibility for existing funding and monitoring of institutions

and services must be rationalized, and must take into account different levels of care. The practice of passing the buck between the Ministry of Health and the Ministry of Community and Social Services must be stopped.

The woefully inadequate and out-of-date basis of the current per diem funding system must be overhauled.

Linked to this acknow-

ledgement of the need for governmental action must be, as a third step, a complementary, formal recognition

of the rights of patients and their families. We must create a Bill of Rights for residents of institutions, a system of advocates, and a Health Complaints Commission in connection with long term care placement. All too often, it is not only

seniors but also their families who must bear an enormous burden.

Options do exist, and the provincial government must abandon its hit and miss approach to care for our senior citizens. It must also reject the efforts of the current Minister to limit discussions by restricting to closed sessions the meetings of the Ontario Advisory Committee on Seniors.

letters letters letters

Editor:

The July 1st, Canada Day Festival in Minden was such an enjoyable 'olde tyme' family outing largely because of the tremendous support received from individuals and businesses throughout the county.

Thank you Warden Lyle McKnight, Deputy Reeve Ed Pergolas, Rotarians Bill Obee and Paul Sisson, and Kinsman Doug Ripley for participating in the opening ceremonies.

Diane, Cheryl, Jen, Sharon, Val, Pat, and Roseanne from C.H.A.C.E. Place dished out barbeque and baked goodies, while Pat and Leroy from the Haliburton County Snowmobile Association helped us all keep our cool with their ice-cream booth.

The Minden Agricultural Society allowed us the use of their big-top tent and Wayne Cox was invaluable helping to set it up/take it

down and assist in dozens of preparations early that morning.

Frank Witter of the Canada Kite Group put an unbelievable amount of time into the kids' kite flying program as did his wife Cathy, and Meeks The Clown operated at 8,000 rpm all day to the wonder and delight of all who watched him perform.

The Minden Kinsmen Club provided their Chuckwagon and Don Nye was ever helpful as usual. Charlie and Ethel at Frontier Motors helped provide the helium for thousands of balloons while Glen Carter, 'Slim' Brandon, Ken Hadley, Charley Hadley, Craig Saunders, and Bill Donnery of Highlands Dixie were nothing short of musically superb.

Faith Stephenson and her charges along with the Highland Country Dancers delighted the grandstand

crowd as did Madoc The Great Magician.

Dave Sisson, Mary Jane Irwin, and Paul Travis trucked kids from six to sixty around the grounds on pony-back and by haywagon, while Daniele Belanser (Quebec), Marie Lynne Frenette (Quebec), Sonja Horsman (B.C.), Gerald Pelletier (N.B.), Jim Smith (Ontario), Rik Smith (Ontario), Linda Sullivan (Ontario), Angela Turcotte (Ontario), Paul Willems (Manitoba), and Leader Chris Niles from KATIMAVIK donned costumes, blew up balloons, ran races, put up the tent, took it down, cleaned the grounds, and generally were always around when help was needed.

Brian Sisson was his usual helpful self, anticipating our needs before we even knew of them, and the Minden Volunteer Fire Fighters put

SECOND CLASS MAIL REGISTRATION NO. 0936

Norland horse draw a lively competition

Teamsters and their workhorses returned to the Ward Memorial Park in Norland on Saturday for the annual Norland Firefighters Association horse draw.

A horse competition held the same day at the Monmouth Agricultural Fair reduced the number of entries and spectators, but did not diminish the excitement of the event.

Horses, working in pairs, were able to drag loads of up to 6000 lbs across the ground, in spite of the intense heat.

In addition to the horse pulls, children's log sawing competitions, games of chance and lucky draws were held. The Kawartha Old Time Fiddlers entertained the crowd during breaks in the action.

Each team was allowed three attempts at pulling the sled a total distance of 20 feet. After each round the weight on the sled was increased. The winners of the final round were judged by the total distance covered by the load.

The following is a list of

winners in each class, in order of their finish.

Light Ponies: Larry Greer, Norland; Doug Ellary, Fenelon Falls; Doug Olmstead, Maple Leaf.

Heavy Ponies: Bob Reid, Foxboro; Larry Greer, Norland; Ken Danforth, Stirling.

Light Horses: Grant Quinn, Cobocok; Jack Batty, Cobocok; Cliff Manion, Peterborough.

Heavy Horses: Dennis Stewart, Woodville; Cliff Manion, Peterborough; George McLean, Oakwood.

from the chamber

In October the search will be on for new Chamber of Commerce Directors. Now is the time to thoughtfully survey other Chamber members and consider who would make a good director. It is time to think of nominations for vacancies that may arise on the Chamber Board.

At the Board of Directors meeting in late August a nomination committee will be appointed. This committee will compile a list of all candidates who have been nominated to serve as directors. In addition to this list, nominations may be submitted in writing by any member, provided he/she has the consent of the person being nominated. These nominations should be in the hands of the nominating committee by September 30.

Before nominating a director we would do well to consider what makes a good director. Primarily he/she must be a strong leader, yet able to subordinate his/her own feelings and needs of his/her specific business to the good of the whole group.

He/she must be able and willing to devote valuable time to a very demanding job.

We look for new directors who have an active interest in civic affairs and who believe deeply that our Chamber must have input into community decision making.

Although it benefits everyone if the new directors bring special skills to the board or knowledge of an area not now included, it is vital that the new director accept that he/she represents all members and that effective consensus and problem solving are of utmost importance in the work of trying to improve the commercial industrial and civic life of the county. No director is accepted simply in recognition of past

service. He/she is in truth being asked to fill a very demanding and time consuming position with only deep satisfaction as a reward.

Your Chamber must have directors who can shape the whole personality of our organization. They must represent it, define its goals and strengthen it.

Although the nominating committee will compile a list of candidates, it is vitally important that all members become actively involved. Often it is the individual members who can suggest the new director who will provide just the strength and vision we need for the coming years.

Tack shop

The Highlands Motel owners, Gus & Inge Kasulke, have just opened up a Tack 'n' Feed Store located beside their motel on Highway 35, just 8 miles north of Minden. They carry a complete line of Western and English tack as well as a variety of feed. They tell us they have something for everyone. The tack shop is the only one of its kind in the county. Drop in and wish your fellow members good luck in their new venture. Open 7 days a week, 10 a.m. to 10 p.m.

Carnival

The Minden Rotary Club will present a Pioneer Days Summer Carnival July 25 and 26. The giant parade starts at 6:30 p.m. Entertainment and games for all ages at the community centre. "Thunder Road" performing at 8:00 p.m. Wednesday in the Pioneer Saloon. Midway and games open at 6 p.m. Ike and Alice Kelnick entertain free Thursday in the Pioneer Saloon. Come, bring a friend, wear a pioneer costume.

Obituary

Michael Joseph (MJ) O'Neill

The community was saddened to learn of the passing of Michael Joseph O'Neill, aged 78, on July 7 in North Hastings District Hospital in Bancroft.

MJ, as he was known to his many friends, came to this area as a young man and worked for a time in the local lumber mills. He also looked after some German prisoners of war who were interned just outside Haliburton.

After the war, Mr. O'Neill became a forest ranger for the then Department of Lands and Forests and on his retirement some 35 years later, held the title of Deputy Chief Ranger.

He was well liked by all who knew him and enjoyed nothing more than just "being one of the guys."

Mr. O'Neill and his wife Charlotte lived in Minden for 32 years. They had four children, son Terry of Brampton, Penny (Mrs. Robert Anderson) of Amherstview, Lois (Mrs. Tom Corbett) of South Porcupine and another daughter, Carol, who passed away a few years ago.

They spent their summers since his retirement at their homestead on Baptiste Lake and it was there, in the company of his wife and good friends, he suffered his fatal heart attack.

Funeral services were held at the Wiggins Funeral Home in Bancroft on July 9 with the Rev. Peter Tink of the United Church officiating. Mr. O'Neill was laid to rest in Maynooth Cemetery and the pallbearers were Austin Henderson, C.H. McIntosh, Fred Rolfe, Larry Cooper, Dan O'Neill and Garry Abbott.

Lake gives up machine

A snowmobile which languished at the bottom of Horseshoe Lake for a number of months was raised to the surface July 15.

The machine, which went to the bottom in February after crashing through thin ice, was salvaged by a group of six scuba divers. The six carried out a systematic underwater search of the area where the machine disappeared and located it in about 25 feet of water.

Those on the scene report that the key was still in the ignition but that the motor had stopped running.

A flotation device was used to raise the sunken snowmobile and it was then towed to the shore. Assisting in the salvage effort were Janet and Bob Stewart, Gord Sherritt, Dawn Flood, Glen Sherritt and John Young, all of Horseshoe Lake.

(from page one)

the zoning of the property reverted to open space.

After hearing an appeal on behalf of the new owner, the council agreed to the issuing of the building permit since at the time of the trade the property could have been used for a cottage.

The property owner who objected to the construction on the property said he would take legal measures if necessary to stop the construction. His stand apparently had the backing of the Soyers Lake Property Owners Association.

The stop work order will remain in place, according to municipal clerk Elinor Burke, until the conflict is resolved.

on quite a demonstration of their skills. The Minden Times staff worked their magic for our ads and

Hospitality Inn loaned us the vintage fire-wagon for display and use as a balloon anchor.

Then too, businesses and groups across the county chipped in with donations for prizes and assistance to the Canada Kite Group. These included Stedmans, Minden Home Hardware, The Pine Shop, The Store-room, Senitt Puppets, The Minden Women's Institute, Highland Jewellery, Moynes Furniture, Minden Instant Print, Mabel's Cut 'n Curl, Minden Rentall, Northland Surplus, Jadek Sports, Chubby Charlies, Minden IGA, Highland Plumbing, Ron Wrightman Realty, Minden Fruit Market, Minden Marine, Minden Auto Parts, Robert Case Realty, Rockcliffe Tavern, Leon's Video, Mae's Country Mart, Sky-line Auto Parts, Highland

Motel, Gull River Building Supplies, Prentice Berry Ltd., Dominion Hotel, Minden Shell, Sandalwood Gifts, Foster's Store, Carnarvon Lumber, Sun Valley Resort, Frontier Motors, Woodcutter Supply, Coneybeare's Butcher Shop, Haliburton Red and White, Brown Owl, Homestead Schnitzel House, Cupboard Store, Riverview Furniture, Ron Gambell Motors, Pet Food Place, Cox's Apparel, Radio Shack, Sid Stamp Fuels, Minden I.D.A., Blairhampton Golf Course, Campbell's Flowers, Whitfield Plumbing, Curry Motors,

Don Barker Heating, Bank's General Store, Rhodes Medical Clinic, Minden Red and White, Haliburton IGA, Emmerson Lumber, Minto Marine, J.C. Kernohan Construction.

Finally a thank you to my committee of Wendy Ladurentaye, Faye Madoc, Wayne Henderson, Barb Elder, Chris and Carol

Miles for carrying the ball on such short notice and making the day the success it was. Everyone mentioned deserves the credit for taking an idea started in 1983 by Pat Balcome and Robin Bailey and with the help of municipal council, federal and provincial agencies, providing the area with such

a great family outing. I can't wait till next year.

Council briefs

Items from the July 12 meeting of the Anson, Hindon and Minden municipal council.

Electrical consumption
Deputy Reeve Ed Pergolas recommended to Council that an energy consultant from Ontario Hydro be engaged to conduct a survey of municipal buildings in order to reduce electrical consumption.

Citing the tri-monthly electrical bills of \$800 to \$900 Pergolas said "It is time we do something about the energy charge" adding "it is going to go up and up."

Noting further that the costs of operating the streetlights in Minden, Ingoldsby and Carnarvon

totalled \$4000 for the last three months, Pergolas said "I think we should have a complete survey that would analyze all electrical consumption by the municipality."

It was agreed to refer the matter to a committee of council.

Dress code
In a split vote council voted to continue the policy which requires that council members attend all regular council meetings dressed in pioneer attire to commemorate the 125th anniversary of the municipality.

The dress code was adopted in June and was intended to continue until the end of 1984.

Councillor Pat Burk

introduced the motion that would discontinue the dress code after the last council meeting in August noting that she was "fed up to the teeth" with having to wear long dresses and that she preferred more casual attire.

Deputy Reeve Ed Pergolas opposed the resolution stating that although he had fought against the adoption of the dress code that "I am all for it now."

Councillor Gary Kenney pointed out that the dress code did not require formal wear and that casual wear such as slacks would be fitting.

Councillor Burk noted

that long dresses were considered casual wear for a woman in the 1850's.

A suggestion by Reeve Lyle McKnight that the dress code be discontinued in October was rejected by council.

The resolution was put to a vote with councillors Dave Stevens and Pat Burk voting in favour and Gary Kenney and Ed Pergolas voting against the resolution. Reeve McKnight broke the deadlock by voting against it.

Closing policy

Council adopted a new policy concerning the closing of road allowances that involve access to water.

Deputy Reeve Ed Pergolas recommended that all proposed closings of road allowances should be submitted to the Parks and Recreation Committee before being considered by the Planning Advisory Committee. "We should be very tough on road closings to water from now on" he stated.

Councillor Dave Stevens disagreed stating that since the road closures were a planning matter, they should be examined first by the Planning Advisory Committee.

Reeve Lyle McKnight stated that the reports on road closures should be

Wednesday, July 18, 1984

submitted to both committees. He added that the application for the closing of a road allowance should be submitted to whichever committee met first to avoid delay in processing the application.

Council passed a motion resolving that all applications for road allowance closures involving access to water will only be accepted by Council following mandatory recommendations from the Parks and Recreation Committee and the Planning Advisory Committee.

Walk raises over \$10,000

The following report on the recent Walk for Wells was prepared by members of the Help A Village Effort (HAVE) committee.

Practically all of the walkers have now collected and turned in their pledge money. To date \$10,500.00 (including a \$1,500.00 contribution from the Haliburton Rotary Club) has been received from the Walk for Wells campaign. In every way the Walk was a tremendous success, thanks to the efforts of the organizers, walkers, and many contributors, both within and outside of our county.

Already the preliminary correspondence with persons in India, who are involved with well drilling, has begun. However, before the H.A.V.E. Committee forwards any money for well drilling purposes, certain written assurances, such as 100% of the funds will be used for providing wells, will have to be received from the

potential recipients. As soon as pertinent information re. H.A.V.E.'s well drilling projects in India becomes available, it will be released to the press.

In the meantime, the H.A.V.E. Committee is planning its second Annual Autumn Concert - Haliburton Artists Variety Evening, to be held at the Haliburton Highlands Secondary School on Saturday, November 3. H.A.V.E.'s second Annual Walk has been scheduled for June, 1985.

Regretfully, the needs of our world's desperately needy simply do not go away with one big successful campaign. In order to continue helping others to help themselves, then Haliburton County's H.A.V.E. Committee has to remain constantly active.

The support of the Community in the past, present, and future is very much needed and appreciated.

DON'T LET YOUR WEEKENDS GO UP IN SMOKE!

Propane is a wonderfully convenient fuel for cottagers, campers and backyard barbecuers. It's clean, quick and efficient for cooking, refrigeration and lighting. But, like all flammable materials, propane must be used with care. Did you know, for instance, that:

- ☐ Propane barbecues should never be used in an enclosed area.
- ☐ Propane cylinders must be stored outdoors and checked for safety every 10 years.
- ☐ A propane cylinder should always be moved or stored in an upright position.
- ☐ Propane cylinders must be located outside recreational vehicles or in a compartment that is gas-tight to the vehicle interior and ventilated directly to the outdoors.
- ☐ It is strongly recommended that propane-

fuelled refrigerators be cleaned and adjusted every year.

You'll find these safety facts and more in our free booklet. Mail the coupon today and get your copy. It's a great reference guide, and it will ensure that propane is always a helpmate rather than a hazard to you and your family.

A tired, but proud, group of cyclists once again completed the arduous 195 kilometre trek from Toronto to Minden Saturday. This is the second year the biking enthusiasts completed the ride which they have dubbed, "The Ride For Pride." Seven members of the group including Kim Colliss and Rick Harding left Toronto early Saturday morning. They were met at Coboconk by Ian Sainsbury, Paul Prentice, Paul Coby, Murray Beetlestone, and Doug Macnab who accompanied the riders on the final leg of the trip. A group of enthusiastic well wishers were on hand to greet the bikers as they arrived in town at 8:50 p.m.

Kickers shut-out by Gravenhurst

by Jim Milne

The Dixie Lee soccer team lost a tough game to Gravenhurst Spartans 3 - 0 in Minden last Sunday.

The first half ended with Gravenhurst ahead 1 - 0

after a penalty kick. Steve Hogg was called for a foul when he tackled a Gravenhurst forward close to the Haliburton goal post. It was a judgement call that went against the home team.

Early in the second half

Dixie Lee lost Tim Davies with an ankle injury. Both Terry Crowe and Ivor Thompson, however, had good chances to score before the Gravenhurst centre half broke through to send the ball into the far right corner. Finally, with about 10 minutes remaining the Gravenhurst centre forward scored with a diving header.

Dixie Lee will practise in Minden Thursday at 7:00 p.m. before travelling to Bracebridge to play the Muskoka Sun next Sunday. This was the team that Dixie Lee defeated 3 - 2 on May 20. They will be looking forward to the rematch.

To encourage the team members to think ahead and

pass the ball quickly we played two touch soccer at our last practice. Any player can only touch the ball twice in succession. We welcome anyone who would like a casual game to turn out on Thursdays.

Hustlers win Tri-county

The Rockcliffe Hustlers, with a 10 - 2 record, have won the league championship and now will enter the Tri-County Playoffs.

A round robin playoff with Lindsay's York Tavern and Kent Tavern will begin this week. The following is the playoff schedule:

Wednesday, July 18 - Kent Tavern at Minden, 8:00 p.m.

Sunday, July 22 - Minden at Kent Tavern, 6:30 p.m.

Sunday, July 22 - Minden at York Tavern, 8:30 p.m.

Wednesday, July 25 - York Tavern at Minden, 8:30 p.m.

The two top teams after the round robin will play a 3 of 5 series.

The Hustlers travelled to Harcourt on the past weekend and had a very successful weekend even though they lost in the championship finals.

In the first game on Friday night they defeated Bracebridge 4 - 1. On Saturday afternoon, in an action packed game of near perfect ball, the locals squeezed out a 1 - 0 win over the old rival West Guilford boys. Sunday the Hustlers slammed Harcourt 5 - 0 before they were defeated 5 - 3 in the championship game by Belleville's Doctors Hotel.

The next big tournament in the area will be the Rock-

cliffe Hustler Invitational at Minden August 10, 11, 12. This is a 16 team tournament and promises to be an action packed weekend as a lot of top notch teams are entered.

on these pages.

Minden Juniors batter Rhonda Wilson takes a mighty swing at the ball during a Ladies Softball League game against Haliburton Seniors Monday at the Minden diamond. The visitors handily defeated the juniors by a score of 15-6.

Seniors continue winning streak

The Minden Dixie Lee Seniors kept their winning streak going last week by taking two important games.

On Monday, July 9 they played host to the West Guilford ladies who were only four points behind Minden going into this game.

West Guilford got two runs in the top of the first and Minden got one back in the bottom of the first inning. No runs were scored in second, but Minden erupted for eight runs in the third and fourth and three more in the sixth. Then they went on to play fine defensive ball only allowing Guilford two

more runs in the fifth and went on to win 20-4.

Minden was led by Wendy Gough, Nelda Cully and Trish Starrik. Anne Hewson pitched a good game to pick up the win, while Lenni McGuire took the loss.

On Wednesday, July 11 Minden Seniors travelled to

Haliburton to take on the Haliburton Seniors. The Minden team's bats were still hot as they pounded out enough hits to score 39 runs. They were led by Helen Burk, Jane Symonds and Lori Brown Wood. Nelda Cully picked up the win while Rosie Langstaff took the loss. Final score 39-4.

\$7000 damage in mishap

An effort to avoid an animal on the road resulted in \$7,000 damage to a car driven by Daniel Gwartz, 18, of Don Mills.

The mishap occurred on Highway 121 in Dudley Township on July 10. According to the police, after the driver attempted to miss the animal, the car entered the ditch and rolled over.

The driver, and passenger Al Brickman, 17, of North York, sustained minor injuries in the mishap.

The investigating officer was Constable Dave Mac Martin.

Loses control

Dorothy McElwain of Snowdon Township was treated at the Minden Hospital and released after she sustained injuries in a single car accident on County road 16 in Minden Township.

The driver lost control of the vehicle on a curve and the car left the roadway, rolled over, and struck a tree. Damage was estimated at \$7,000.

The investigating officer was Constable Boyd Jarvis.

Driver charged

A Somerville Township man has been charged with failing to yield the right of way after the vehicle he was driving was in collision with a police cruiser.

Bruce Bowman, 33, was attempting to pull out onto Highway 121 east of Minden from a private driveway

when his vehicle was struck by a cruiser driven by Constable Bob Wood of the

Minden detachment.

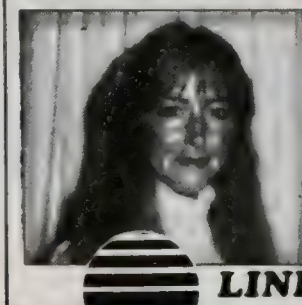

Damage to the two vehicles was estimated at \$5,000 with both drivers suffering minor injuries.

The incident was investigated by Corporal Steve Adam.

Unit seeks reaccreditation Health

The Haliburton, Kawartha, Pine Ridge District Health Unit was the first in the province to be accredited in May of 1982. Only two other Health Units of the 43 in Ontario have been granted accreditation to date. Now, the Haliburton, Kawartha, Pine Ridge District Health Unit has become the first in the province to be re-accredited.

Accreditation itself, is a

measurement of policies and procedures against the standards set out for all Health Units in the province. The accreditation program is both voluntary and confidential.

To date, it has evaluated administration rather than programs and services in the belief that quality services are an unlikely outcome unless an agency is well organized and efficient. If

accreditation is granted to a Health Unit, it may be for a one, two or maximum of a three year period, after which the Health Unit must re-apply and be re-surveyed.

The Haliburton, Kawartha, Pine Ridge District Health Unit was re-surveyed May 22nd to 24th of 1984. In July, through a unanimous decision by the Ontario Council on Community Health Accreditation, the

Haliburton, Kawartha, Pine Ridge District Health Unit was granted re-accreditation for three years, thus attaining the highest level of award for its achievement.

Dr. Alan Wu, Chairman of the Ontario Council on Community Health Accreditation, will be presenting the Accreditation Certificate to the Health Unit in the near future.

Seniors need drivers

by Donna Bailey

Have you ever needed to get an appointment or to go shopping in town or out-of-town and have not been able to do so because you could not get a ride? We hope not. But if you have you will know one of the problems that some of our seniors and disabled persons could have if it were not for our "Trans-

portation" program. Our convenor, Mary Robertson, does an excellent job in convening it. Thank you, Mary.

In talking with Mary the one problem that she is now having is finding drivers from Haliburton who will take our seniors and disabled people to various places both in town and out-of-town for appointments or

shopping. If you would like to become a driver please call us at 457-2941.

If you are a senior or a disabled person and need a ride please let us know as far in advance as possible - especially for out-of-town rides as they sometimes take a while to arrange. For more information concerning the Transportation program (cost, etc.) please call us any weekday between 10 a.m. and 4 p.m. and we will let you know details.

As a matter of interest we are entering a float in the Legion parade in Haliburton. The parade starts tonight (Wednesday) at 7:30 p.m. We hope that you will come out to see it. Have a nice day!

\$10,000 taken from store safe

Several bags containing more than \$10,000 in cash, cheques and credit card slips were removed from the safe at the Home Hardware store in Haliburton July 14.

The theft took place during regular store hours. The safe was unlocked during the day.

Constables Wim Magee and Brian Dunham, along with personnel from the district headquarters in Peterborough are investigating the incident.

ATC theft

A 1984 model Honda ATC was removed from the Prentice Berry property on Highway 35 south of Minden early Saturday morning. The theft took place about dawn, according to the police.

The stolen vehicle was still in its packing crate when the thieves lifted it from the storage yard. The machine was valued at \$1639.

Constable Wim Magee is

the investigating officer.

Restaurant break-in

The Reflection Restaurant in Carnarvon was once again the target of thieves. Earlier this year the restaurant's safe was rifled.

This weekend the intruders had more of an appetite, apparently, as they removed a number of steaks, hamburgs, and lobster tails.

Also missing was a quantity of liquor and cigarettes.

The theft is being investigated by Constable Dave MacMartin.

Nudity

Officers from the Minden detachment of the Ontario Provincial Police are keeping a close eye on the Ministry of Natural Resources

dock on Mountain Lake near Highway 35. The increased surveillance follows complaints from area cottagers of naked individuals using the dock.

by Bert Harrison

A busy weekend, here at Hyland Crest. Different residents had special guests. Some coming and going nearly all the time, so I thought I would tell you about some of mine. I had relatives from Brampton, Bellville, Oshawa, Duns-

ford, Carnarvon and Horne-payne. It was nice to see them all, and they said they would come again.

Della Curry had company and others too. If they would just tell me, then I would know what to do.

Different service in the chapel Sunday night. Rev. Burgess took the first part, read the lesson, led in prayer. Then the Thompsons took over from there. Harold told of his life's history, since the time he was a boy. How he got converted, which brings him real joy.

No fun and fitness in the auditorium this Monday. Caravan Clothing are moving in, they will be holding sway.

I haven't mentioned my nursing staff, for quite some time. They are still all right on the job, and treat us residents real fine. Some are aging a little, others in their prime.

At our auxiliary tea bazaar held Wednesday, July 4, the hooked rug was won by Gordon Peteran, for sure. This lovely rug was hooked by Chris Precoor.

On weekends here at Hyland Crest it is nice to have Neil Walker. He is a real worker, just not a talker.

Linda showed us three interesting movies Monday night. I think we know the reason, "Octopus Hunt", "Ice Birds" and "Fish For All Seasons."

Tuesday morning, James Cooper, the chapel service did take. He lives near the shore of lovely Beech Lake. It was nice to hear him give the message once more. He takes a bath every morning from Beech Lake shore.

Maron Rose came, the music to play. A real interesting service on this beautiful July day.

Mrs. Stutt's granddaughter Wendy came the Hyland Crest way. Took her grandmother shopping last Saturday.

Edith Welch's son Ron and his wife Pat too, came to visit and dine with Ron's mother, a real nice thing to do!

Doris told us Tuesday noon, if we wouldn't kick up a fuss, she would take us for a ride in the Hyland bus. And for anyone wishing to stop and shop in the Minden Centre, they had a parking place marked out in front of the hotel, for us to enter. Now this was a nice thing to do, and it was real temptation, I am telling you. Then we went on to Miners Bay, Moore Falls, Norland, Cobocok, then across to Burnt River, stopped there and were treated to ice cream. Then back to Kinmount. Oh, it all seemed like a dream.

I have a couple living next door in room number 102. They are one active pair, I am telling you. Lily Hogg and Edna Cowen are their names. They take part in all the Hyland games. When they moved in Lily had a cane to help her about, now

she's thrown the cane away and is really stepping out.

Down at fun and fitness where we try most everything, Lily challenged me to get up and dance the Highlands fling. Her sons came to visit her last weekend. Found her here about, they would come more often, but are afraid she'd be out.

Wednesday night Earl Cooper came with sons Allan and Andy. Entertained us grand. With Gordon Ruttle playing the stick, which is hard upon his hands.

Thursday afternoon the ACW ladies from Maple Lake, came to Hyland Crest. Served a lovely lunch and were our special guests.

Some harmonica music for them I wanted to play, but through some misunderstanding it didn't turn out that way.

Friday afternoon Grace and Norma came and entertained us fine. We always look forward to this special time.

Ray and Marjorie Usser who have a cottage on Canning Lake shore, came Friday night, Ray played lovely piano music, they sang some good old

numbers and said they would come back some more. In fact, by the way, they are coming back each Friday through the holiday.

Young adult: "Twenty years ago we were told we weren't as smart as our parents. Today we're not as smart as our kids. Where did we go wrong?"

Reg and Alice Hie, formerly of Stouffville, now residing in Minden, celebrated their 50th wedding anniversary on May 26. A gathering of family and friends was held at the Wig-A-Mog Inn in Haliburton. The Hie's received congratulatory messages from a number of dignitaries including former Prime Minister Pierre Trudeau.

BUY SELL TRADE RENT

Busy season for artists

by Virginia Muenzel

Summer is in full swing, and so are all the activities with the Haliburton Highlands Guild of Fine Arts. At the Gallery, for instance, the Faculty Show is open to viewers until July 31. It's a good opportunity to see all types of art done by the teachers who are involved with summer classes at the school.

You have until July 21 to get to the Summer Exhibition and Sale at the Elementary school. So far, it has been a great success.

Winners of the Juried Exhibition there are as follows. For ceramics, first prize went to Louise Card. Second prize to Timothy Laurin. First prize for woven garments went to Margaret Bridgeland. Second prize to Claire McLeod. The winner of the best woven floorpiece was Margit Moraal. The best painting was that of Mary Hartley. The best photograph went to Peter Stewart. Marta Vanderwal won the award for the best embellished clothing. The best in wood went to Kevin Dunlop. And the best

knitting went to Mary Van Lieshout.

Don't forget the Ontario Bicentennial Celebration at Head Lake Park on Wednesday, July 18. A travelling road show of singing and dancing performed by the theatre students from Humber College. On Wednesday, there will be shows at 2:00, 4:00 and 9:00. All shows are 35 minutes in length. Best of all, the admission is free.

Next month, on August 4th, at the PineStone Inn, is an Art Auction. On auction, will be paintings and some crafts by professional artists. Included are some works by local artists. The art may be previewed Saturday, August 4 from 2:00 to 4:00 p.m. There will be a silent auction from 7:00 to 8:00 p.m. I understand this is a lot of fun. The actual auction of paintings begins at 8:30 p.m.

Finally, have you purchased your tickets to the concert series? They are on sale at the Gallery, or through many Guild members, including myself. Please don't forget. The concert series needs our support.

"WHERE THE ACTION IS"

around the county town

Call 286-1288 — 9 a.m. - 4 p.m.

Jean and Cliff Lacey brought us a newspaper clipping and picture of their grandson Derek Lacey of Orangeville. It seems Derek is a real swinger when it comes to baseball and although he's only four years old, he is a definite asset to his team. In the picture (which we unfortunately could not use) he is shown on a stolen third base, after bringing in two runs to tie the game. He has struck out only once in his short career and it certainly looks like he'll go far.

On Saturday, July 21, why not drop over to the West Guilford Community Centre dance at 9 p.m. The music for the evening will be supplied by "Stardust Country" and admission is only \$8 a couple.

Muriel Harrison was kind enough to bring us the following report on the Prentice family reunion.

On Sunday, June 24, some 63 members of the Prentice family met at Carnarvon for the annual reunion for what has become a Prentice family tradition lasting almost 50 years.

All were descendants of the late John and Christena Prentice who emigrated from their native Scotland to pioneer in Canada in the year 1856.

Of the 11 children in the family, descendants from seven of them were represented at the gathering. It was a 'get acquainted' occasion also, as several of those from British Columbia, Oregon, Ohio and Georgia had never before met their Ontario cousins.

Family photos were passed among the guests as former family gatherings were recalled. It was a time of remembering many happy times shared with those who are no longer alive.

Magistrate J. Leslie was recognized as the eldest member present. He is 98 years young. The youngest member was the four month old son of Richard and Beverley (Prentice) Kinsman, Andrew Nicholas.

All in all it was a happy occasion and an opportunity for family members to once again recall the heritage left to them by their forefathers.

Jean, Mike and Sheri Cruikshank journeyed from Shelburne to attend the 40th anniversary celebrations for Jean and Cliff Lacey last weekend. Also attending were Jeunne and Jim Simpson and Carole and David from Kinmount.

Minden United Church are holding their annual salad supper and bazaar in

the church hall, Wednesday July 18 from 5 to 7 p.m.

Mr. and Mrs. Kenneth Wallace are living on the Buckside Dam Road, Mr. Wallace having retired from Dorr-Oliver Canada, Orillia, Ontario after 50 years, although they have been summer residents since 1968.

Last week Mr. and Mrs. Earl Hewitt of Minden visited Mr. and Mrs. Arthur Thorpe of Caledon Hills. Also present were her niece Yolanda and husband Ivan and baby from Cancun, Mexico.

Visiting her fiancé, Paul Northey of Minden who is home from college for the summer, was Missy Beck of Independence, Missouri.

Visitors with Mrs. Fred Wright last week were her grandson, Corporal Ray Johnston of Pettawawa, Mr. and Mrs. Ed Johnstone and Randy of Scarborough, Mr. and Mrs. Roger Parsons of Weston and their grandson Luke Wood from Vancouver and Mrs. Mabel Kent of Agincourt.

We were very sorry to hear that George Stewart is in Peterborough Civic Hospital for ten to fourteen days. George is in Room 425. His wife, Irene, meanwhile, is a patient in Minden hospital and sister Marjorie Cook is up looking after things. We hope the Stewarts will both be well soon and back among their family and friends.

The Olympic Reader sessions are continuing at Minden Library until August 6. This entails youngsters reading 15 books from the library during the summer and at the end of the session, they will receive awards. What a nice way to keep the kids occupied.

Speaking of keeping them occupied, Kidstuff, a children's art and crafts class begins July 23 at the Agnes Jamieson Gallery and will continue until August 3. Fees are just \$20 per week and registration takes place at the Gallery.

Don't forget the movies for children every Friday from 7:15 to 8:15 p.m. at the Library/Cultural Centre. Admission is free.

Winners at Club 35 card party Monday were, high man Bruce Knox, high lady Helen Davis, most lone hands Art Hunt. The door prize went to Molly McCarthy while other winners were Art Verbaan, Barbara McNeill and Bill McNeill.

Don't forget the annual

Red Cross bazaar which will be held August 4 from 10 a.m. to 3:30 p.m. in the new parkette beside Cox's Apparel on Main Street, Minden.

One of our favourite "Stanhopeans" Alex (A.L.) Stevenson, was kind enough to bring us the following on the Stanhope Fun Day July 28.

Stanhope Day chairperson Dorothy Finch advises that she has received confirmation from the Royal Ontario Museum that the mobile display will again be an attraction on the grounds.

Another popular event is the Horseshoe Tournament directed annually by Gerald

Bain and Gerald states that the courts will be in good shape for game time. Those wishing to enter the tournament are requested to register before 10 a.m. July 28. Anyone wishing further information may call Gerald at 489-2379.

Carrying on the Bicentennial theme which will be evident throughout the day, will be displays resulting from Stanhope's Ontario Bicentennial program.

There will be a cake produced and decorated by Councillor Ann Barker and the cake decorating class she has conducted as part of the Bicentennial project of the Township. The cake is planned to be approximately five feet by three feet and will be decorated with the Bicentennial flag and will be displayed in the Fire Fighters' hall during Stanhope Day. Other items on display will be bird houses made by a young people's group conducted by Township Reeve Harry Davis and committee member Dave McKinlay.

This part of the Bicentennial activity will be carried out during the month of July and will culminate in the display on Stanhope Day. Information may be obtained by calling 489-2379. The Dog Show, Bingo, Art Show, Craft Display, hot dogs and the great barbequed beef sandwiches should round out another happy Stanhope Day.

Winners at the last Thursday afternoon's card party at the Library Cultural Centre were lone hands - Irene Houghton. Others - were Jeanne Sears and May Eldridge.

Sincere sympathy to Mrs. Milton Endicott on the loss of her father. Sympathy also to the family and friends of the late Florence O'Brien.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: Why did the chickens run across the tennis court?

A: Because the referee called fowl.

Q: What has 18 legs, red spots and catches flies?

A: A baseball team with measles.

Q: What kind of dots dance?

A: Polka dots.

Q: Where do moths like to dance?

A: At a moth ball.

Q: What would you call a camel without humps?

A: Hump-free.

Q: Where was Count Dracula when the lights went out?

A: In the dark.

Q: What is the value of the moon?

A: Four quarters.

Q: What did the sea say to the shore?

A: Nothing, it just waved.

Q: What word do most people like best?

A: The last.

Agnes Jamieson Gallery

The watercolours by Janet McGhee continue to be a very popular exhibition. We have had many visitors and everyone seems to enjoy the beauty of her flowers and the strength of her buildings. Her colours are very strong and the whites in her flowers are excellent.

We wish to thank everyone who contributed to the success of our Garrummage Sale. We look forward to a bigger one next year and perhaps better weather.

Tel. 286-3763
Bobcaygeon Road North

CARD OF THANKS

I would like to thank my friends and family, neighbours and people of Pine Springs and area for their help and concern at my time of need. Special thanks to Doctor Baeta of Lindsay Hospital, also the nurses on 2nd floor.

Mrs. Vera Barnhart

I wish to thank the many friends who remembered me with cards, letters, flowers, fruit, phone calls and visits during my time in hospital and since coming home; also Rev. Harold Davies and Rev. John James, supervising ministers, supply ministers Rev. John Spencely, Rev. Stan Parkhouse, Rev. Fred Elson, Rev. Douglas Miller, and Mr. Blake Mulcaster who are carrying on the church services and weddings during my absence; special thanks to Mr. William Duggan for transportation to and from the Civic Hospital, Peterborough, also to neighbours for favours done at the manse.

Rev. Clyde Westhaver

We wish to thank all our friends, neighbours and family for their kind gifts, cards and flowers and party, for our 40th anniversary. They were sure appreciated. God Bless.

Cliff & Jean Lacey

CARD OF THANKS

Thanks to my family and friends for the calls, cards, gifts and concern during my surgery. Reports indicate everything is okay. Special thanks to Tom and the Boys, Mom and Doris.

Marg

IN MEMORIAM

GARTSHORE - In loving memory of a dear son and brother, Don, who passed away July 20, 1978.

A cluster of precious memories,
Sprayed with a million tears
Wishing God had spared you
If only a few more years.
You left us a beautiful memory
And sorrow too great to be told
But to us who loved and lost you
Your memory will never grow old.

Sadly and deeply missed by
Mom, Verne and Marlin,
Craig and Margaret, Gary and Pat.

GARTSHORE - In loving memory of a dear uncle, Don, who passed away July 20, 1978.

Sunshine fades and shadows fall
But sweet remembrance outlasts all.

Jason, Chris, Gary Jr. and Sean.

MISCIO - In loving memory of my dear brother Petrol who passed away 5 years ago July 20, 1979.

A page in my book of memory
Silently turns today
A lonely thought and a secret tear
Keeps you, Petrol, ever near
Till we meet again.

Sadly missed and always loved, Sister Nell.
